### FEAST OF SAINT MARY MAGDALENE, JULY 22<sup>ND</sup>

The feast of St. Mary Magdalene is considered one of the most mystical of feasts, and it is said that of all the songs of the saints, that of Mary Magdalene is the sweetest and strongest because her love was so great. That love was praised by Jesus Himself who said that because much was forgiven her, she loved much.

She was the first recorded witness to the resurrection of Jesus, His most ardent and loving follower. She had stood with Mary at the foot of the Cross on that brutal Good Friday afternoon and had been by the side of Mary during these difficult hours. On Easter morning, she went with the other women to the tomb and she has always been the example of great love and great forgiveness, one of those close to Jesus who grasped the truth of God's love for human beings and spent her life bearing witness to that love.
